Thank you for choosing Lufthansa for your journey. We kindly ask you to complete the following form with your treating physician, preferably electronically or in block letters. **Please note the attached data protection declaration and your mandatory consent, so that we can process your request.** The necessary documentation can be sent by fax (+49 69 696 83677) or email (medicaloperation@dlh.de).

The personal and medical data provided on the following forms will be treated strictly confidential. However, the information is necessary for medical clearance and to cater to your specific medical needs during your journey.

Please note that our cabin crew is not authorized to give special assistance (e.g. nursing care, lifting, feeding, etc.) to passengers with medical needs, due to their responsibility for all passengers on board. If you are travelling with an electric wheelchair, please make sure to have information on battery capacity, battery removal and on how to turn off the wheelchair completely available.

Fees, if any, relevant to the provision of the above information and for carrier-provided special equipment (e.g. oxygen on-demand system, Wenoll-System) are to be paid by the passenger. Please note that family members are not allowed as medical escorts on our flights.

The conditions of transport, in particular the rules of liability, in the terms and conditions of Lufthansa German Airline, apply.

We wish you a pleasant journey!
